Previous meeting minutes

The TBL league AGM minutes were ratified by those present. Importantly this included details of a new rule which sets a maximum of £50 that a player can own a team when that player wants to transfer to another team.

Divisions

The league will be made up of the following teams. Please note some teams are yet to be confirmed.

Division 1	Division 2
Lions	Eaglescliffe
Easingwold	Darlington
Richmond	Mariners (TBC)
Sonics	Rydale
Heat	Velocity (TBC)
Tigers	Team UCA
	Rockets (TBC)

Fixtures

- The only valid reason for cancelling a fixture is a problem with the venue
- A provisional fixture list has been created. Fixtures must be finalised by Wednesday 22nd September. Clubs must inform Steve Lynas of any fixture changes before this date
- Fixtures are to be emailed to all referees so they can indicate which dates best suit their schedule. This is to help reduce last minute phone calls to organise referees
- It has been decided that all teams must provide a list of all players and associated EB numbers at the start of each league game. Preferably this will be a printed list including shirt numbers for the benefit of table officials. Unregistered players are not insured and therefore will not be allowed to play
- At the end of each fixture the referees should decide on a home and away MVP which will be entered on the web site by the home team

Player registrations

During the season Howard Leighton, on the behalf of EB, will be monitoring player registrations for the

TBL

CVL

- Senior CVL is booked for Saturday 15th January 2011 9-5 and costs approximately £400. This will be subsidised to some extent by the TBL
- Six junior CVLs are booked starting on Sunday 3rd October from 9am at Eston Sports Academy. The event is open to U12, U16 and U19. The cost is £3 per player. Maximum ten teams per age category. Any clubs interested should contact James Thomson
- All players taking part in either the junior or senior CVL must be registered with EB before they will be allowed to play. Registration forms will be provided on the day to allow players to register with EB if they have not already done so. These forms must be filled out and passed to the league registrar (Steve Lynas) along with the required fee
